

## NOTICE TO SAUSALITO RESIDENTS ADJACENT TO THE LABOR DAY SAUSALITO ART FESTIVAL

During past Sausalito Art Festivals, the Management of the Art Festival and the Sausalito Rotary Club, which is responsible for parking cars for the Festival, have received complaints from residents neighboring the area of the Festival of cars parking on their street, taking up street parking near their homes and causing traffic congestion. We share your concerns, and are planning to restrict parking on your city streets to residents only. We are pursuing these actions for the following reasons:

1. To relieve congestion in the area of your residence
2. To allow street parking for your guests; and,
3. To better manage the general flow of Festival parking traffic in Sausalito.

To achieve this, we have included four street parking passes which will allow you and your guests to park freely on public streets adjacent to your residence. Each pass works for all 3 days of the Festival and is transferable to other guests.

For the upcoming Festival, on September, 4, 5, and 6, we will post "No Art Festival Parking, Residents Only, Must Display Pass" notices on the streets adjacent to your home at least 3 days prior to the first day of the Festival. The notices will advise of possible citations and or tow aways to those vehicles not displaying the required parking pass.

We have established several ways to learn more or contact us regarding this program:

1. Visit the Rotary Web Site at [sausalitorotary.org](http://sausalitorotary.org), link to "art festival parking"
2. E-mail us at [artfestivalparking@hotmail.com](mailto:artfestivalparking@hotmail.com)
3. Call our dedicated parking phone line, 415.272.4684

If you need assistance with parking violations such as parking in driveways, in front of fire hydrants, etc., please call the SPD at 289-4170

We hope these measures will help alleviate the traffic in your area that comes with the Art Festival, and we hope to help make your Festival experience this year the best ever.

Sincerely,

Demetri Rizos  
Executive Director, Sausalito Art Festival

Patrick Lee, DDS  
President, Sausalito Rotary Club
